Express	<div></div> 80%

## PROJECTS

### 2023 - My profile

Individual project | **Reactjs, javascript.**

Designed a mobile and desktop view webpage which is exactly like a CV. I used to build it to recruit.

### 2023 - Meals Sorting - API creation

Individual project | **Reactjs, HTML and CSS, Javacsript**

Designed to sort the meals using a search box. API has been selected from mealsdb.com.

### 2023 - Library - CRUD

Individual project | **Reactjs,nodejs express,mongodb**

This project mainly focuses on the CRUD operation. It mainly displays a library which can create,update and delete using api.

2023 - **Login Form**

Individual project | **Reactj,nodejs express,mongodb**

Developed a sample login form which displays data of the user and also the data can update and delete.
